From the SAN Board President:

The SAN Board would like to welcome you to its 26th annual Senior Artists Network **Later Impressions** Exhibition. This year's show features the artwork of 36 artists, many of whom are new SAN members. The show is exciting, and is a fine example of the creativity and vision of older artists. SAN is proud to be the only art group in the Chicago area representing older artists. A special thank you to all of the volunteers who helped to put this show together: First, Pat O'Malley, Howard Frank and Meredith Dytch, who co-curated the show, with the help of many SAN members and friends. Also, we would like to thank the jurors Jessica Hyatt, Pauline Kochanski, and Frances Vail who contributed their valuable time to the show. Everyone's hard work has made this event a triumph for SAN.

This past year has been an exciting time for SAN. We started the year with our annual **Members Show** at the Beverly Arts Center. In March we exhibited at the Open Wall Gallery in the 47th Ward. In the early summer we held our annual symposium, and later in the summer we mounted our annual specialized show. The 2014 specialized show focused on fiber artists, and we featured the work of nine of SAN's talented members at Curt's Cafe in Evanston.

We have begun our planning for next year, and hope you will join us for the many exciting events we have planned.

Annette Abajian
SAN President
