Welcome to *Later Impressions 2020!*

The Chicago Alliance of Visual Artists (CAVA) is proud to welcome you to the 2020 *Later Impressions* exhibition. The 51 pieces in this exhibit have been selected by reviewing 121 works of art from our member artists, representing a wonderful collective of subjects, styles, and media.

This past year has been a challenging time for all arts organizations, including CAVA. Our board members and volunteers have worked tirelessly to continue to serve our members, and present our exhibitions and events to the public, all while navigating the safety and security issues we find ourselves in during the COVID-19 global health emergency, and social upheaval and unrest. We weren't able to open our Spring Members' Show in the Chicago Cultural Center as originally planned and anticipated. But we were able to quickly pivot and present the exhibition in an on-line format. Following that success, we moved to provide an online component to as many exhibitions and events as possible, to continue to serve our members who were unable to travel or attend events in-person. Other events we presented successfully in 2020 with strict social distancing guidelines and staggered entry reservations include the *Urban Life/Social Fabric* exhibition and the concurrent Annual Learning Symposium, both held at the at Dank Haus German American Cultural Center, and of course this *Later Impressions* juried show at the Old Town Triangle's Leslie Wolfe Gallery.

We're looking ahead to hosting future in-person exhibitions and events, and already have been planning some exciting events for 2021:

- ~ 2021 *Spring Member's Show* and concurrent Intergenerational Art Event will be at Berger Park Mansion on Sheridan Road
- ~ Our 2021 themed show at North Shore Art League in July, *A Moment of Zen*
- ~ The 2021 Annual Learning Symposium will be at the North Shore Art League Studio on Friday, July 30, 1:00–5:00 p.m.
- ~ *Later Impressions 2021* will be at Bridgeport Art Center's 3rd Floor Gallery September 1 through October 22. The exhibition will host two reception events on Sept. 17 and Oct. 15, and a CAVA Salon Event the evening of October 1.

Three new Board Members joined us in 2020: Anastasia Hall, Teia Smith, and Sharon Wong. We're always recruiting, and welcome all members to consider joining our active board as we continue to promote CAVA's work and mission to "support the talents of older artists, while engaging the community through partner and educational programs." We hope you enjoy this year's *Later Impressions* exhibition and take advantage of all the Chicago Alliance of Visual Artists has to offer. If you are not a member, we invite you to join the company of nearly 200 artists, aged 50-plus, today!
