Welcome to *Later Impressions 2016!*

The Chicago Alliance of Visual Artists (CAVA) is proud to welcome you to its 28th Annual *Later Impressions* Exhibition. The pieces in this exhibit have been selected by reviewing nearly 200 works from over 80 artists, representing a wonderful collection of subjects, styles, and media.

This past year has been an exciting time for CAVA. We have continued to support our mission supporting artists aged 50+ throughout Chicagoland through our new name and updated mission:

"...Committed to supporting the talents of older artists, while engaging the community through partnerships and educational programs."

We've been busy helping to expand the reach and scope of the organization by adding new exhibitions and venues throughout the Chicago metropolitan area.

This year, we started our programming year with our collage exhibition (in conjunction with the Midwest Collage Society) in Oak Park, followed by a spectacular Spring *Members' Show* at Benedictine University in Lisle. We've helped inform our membership at our Annual Symposium by featuring an impressive array of guest speakers and workshops at The Chicago Cliff Dwellers Club. Next up on our busy calendar was the annual *Members' Dinner*, held in conjunction with Vicky Tesmer's presentation at Chicago Cliff Dwellers.

In addition to these events, we are happy to announce that we will hold a special "Small Works Holiday Show and Sale," December 2-4 at Tres Jolie Art/Gallery1837 (1837 W. Grand Avenue, 2nd Floor, Chicago).

Lastly, we are pleased to announce our growing Board of Directors with the addition of four new members: Dorothy Mason, Karen Vierneisel, Norman Baugher and Sandra Holubow... Welcome!

We hope you enjoy the *Later Impressions 2016* exhibition, and take advantage of all the Chicago Alliance of Visual Artists has to offer. If you're not a member, we invite you to join today!!
